Remember to allow time to complete any development work you have planned between stage one and stage two when you estimate your start date. We will take approximately 8 weeks to process your stage one application and make a decision on development funding, and up to 4 months to assess and make a decision on your stage two application. We can process time sensitive applications more quickly, please discuss this with your Scottish Land Fund Adviser.

We use the personal data you provide, such as contact details for individuals at your organisation, to help you apply for a grant and to assess your application. We may also carry out checks on the individuals as described below. If a grant is awarded, we will use the personal data to manage and monitor the grant, carry out evaluations and research, and to check the money is being used appropriately.

We may share your personal data with organisations which help us with our grant making activities or others which have a legitimate interest in our work or have funded your grant. We will only share personal data which they need to carry out their work and subject to appropriate safety measures.

We may keep in contact with you throughout the life of your grant and send you advice about your grant by email. This will contain useful information on a range of things including how to publicise your grant, information on other funding available and project ideas and tips from other grant holders.

Our Data Protection and Privacy Notice gives more information about how we store and use personal data and the lawful basis for this.
