We know that applying for funding can sometimes feel daunting, especially if it's your first time. You can contact us on 0300 123 0735, or at wales@biglotteryfund.org.uk. Text relay users please use 18001 plus 0300 123 0735 if you'd like any support or have questions.

Filling in the form

Someone from your organisation must complete the form and the named contacts need to understand the aim of the project and how it will be delivered. Before you submit an application, please ensure that the governing body of your organisation is happy with what is written and with our terms and conditions.

An organisation should not submit more than one application as the Fund will only consider one application at a time.

Part one

Check you are eligible to apply

You can apply if your organisation is a:

- ✓ Voluntary or community organisation
 - ✓ Registered charity
 - ✓ Constituted group or club
 - ✓ Community interest company (CIC)
- ✓ School
- ✓ Statutory body
(including town, parish or community council)

We're afraid we cannot accept applications from:

- ✗ Individuals
- ✗ Sole traders
- ✗ Organisations that are aimed at generating profits primarily for private distribution, those not asset locked or organisations that can pay profits (including CICs limited by shares) to directors or shareholders.
- ✗ Organisations based outside the UK
- ✗ Applications made by one organisation on behalf of another

Please ensure you meet the following criteria before applying:

- Your organisation has at least two unconnected people on the board or committee
By 'unconnected' we mean not related by blood, marriage, in a long-term relationship or people living together at the same address.
We will need details (name, date of birth and home address) of two contacts as part of your application, one of whom will be the legally responsible contact for any grant awarded; these must also be unconnected.
- You are applying for an amount between £300 and £10,000, for a project that will finish within about 12 months
- Your project starts at least 12 weeks from when you plan to submit your application
- You have a UK bank account in your organisation's name

Important information

These organisation categories are for guidance only. If you're unclear whether you can be funded, please contact us.

By unconnected, we mean not a relation by blood, marriage, in a long-term relationship or people living together at the same address.

We know for lots of reasons it is not always possible to complete a project in 12 months. Therefore, we can consider projects which are slightly longer than this. You should tell us about how long your project will run within question 8.

We will also consider applications for one-off events such as a festival, gala day or conference.

Your bank account name must match the legal name of your organisation. If you're a school, your bank account should be in the name of your school unless you're using a Local Authority or Academy Trust bank account.

By annual accounts we mean a summary of your income and expenditure. If you're a small organisation, this may be produced by your board or committee and doesn't have to be done by an accountant.

- You produce annual accounts, or set up your organisation less than 15 months ago and have not yet produced annual accounts

We need you to send us a recent copy (from the last three months) of your organisation's bank statement.

This should be for the account you want us to pay your grant into. It must show;

- Your organisation's legal name
- The address the statements are sent to
- The bank name
- Account number
- Sort code
- Date (must be within last three months)

We can't accept statements;

- with an abbreviated organisation name
- over three months old
- that do not include ALL of the information detailed above

Part two

Your organisation and contact details

1. What is the full legal name of your organisation, as shown on your governing document?

If the full legal name is incorrect, it may delay your application.

2. Does your organisation use a different name in your day-to-day work?

If yes, what other name do you use?

3. What is the main or registered address, including postcode, for your organisation? If you are a registered charity or company this address should match your registered address:

We recommend using your organisation's office address, but if you don't have an office this can be a home address. Please include your postcode.

4. What type of organisation are you?

Select your organisation type from at least one of these categories. You can select from more than one category if relevant.

Voluntary or community organisation
(including registered charities, constituted groups or clubs, not for profit companies and CICs)

Statutory organisation
(including town, parish or community councils)

School

Other (please specify)

Important information

Questions 1 and 2

You can find your correct legal name on your governing document.

What your governing document is called depends on your organisation type. It may be called a constitution, trust deed or memorandum and articles of association, or something else entirely.

Question 3

If using a home address, please include any house name or flat number.

Question 4

This is not an exhaustive list of organisation types, so if you are not sure if you can apply, please get in touch to check.

The 'Who can apply?' section on page 4 of the Guidance should help you with this question.

Important information

Question 5

Not all organisations will have a charity registration number or a company number.

If you do have one please ensure you include it.

If you are not a registered charity or company, don't worry, you can still apply to National Lottery Awards for All.

Only schools will have a Department for Education number.

Question 6

We are particularly keen to fund smaller organisations.

For schools, this should be the total income of your school, rather than the total raised by your local fundraising/activities.

We don't need pence so please round to the nearest £.

5. Give any reference or registration numbers you have:

Charity registration number

Company number

Department for Education number

6. What is your organisational income?

If your organisation is less than 15 months old and has not yet produced annual accounts, please give us the date you expect your first set of annual accounts to be produced and enter the income as zero.

All organisations, including schools and statutory organisations, need to provide this information.

Accounting year ending (Please use the format dd/mm/yyyy)

Total income for the year

Part three

Your project

7. What is the name of your project?

You can write up to 40 characters including spaces.

8. What would you like to do?

When answering this question there are two key areas that we will use to make a decision on your project.

- a. National Lottery Awards for All has three funding priorities and you must meet at least one of these. Please tell us how your project will:
 - bring people together and build strong relationships in and across communities
 - improve the places and spaces that matter to communities
 - enable more people to fulfil their potential by working to address issues at the earliest possible stage
- b. It's important to us that you involve your community in the design, development and delivery of the activities you're planning, so please tell us how you've done this.

Please use the text box on the next page.

Important information

Question 7

We know it can sometimes be hard to think of a snappy name, so if you are struggling, just keep it simple and to the point.

Question 8

The 'What's it all about?' section on page 5 of our Guidance should help with this section.

Here are some ideas about what else to tell us:

- How your project idea came about. Is it something new, or are you continuing something that has worked well previously?
- How you will make sure people know about your project and will attend.
- How you'll learn from your project and use this to shape future projects.

Please write up to 4000 characters with spaces (approximately 500 words)

A large, empty rectangular box with a thin black border, intended for the applicant to write their response. The box occupies most of the page below the instruction.

Important information

Question 9

If your project will take place across different locations, please use the full postcode where most of the project will take place.

Question 10

We are trying to gather more detailed information about where people who benefit from National Lottery funding live.

Where your beneficiaries are living could be given as a postcode, town, village, ward, street or other location.

Question 11

If your project is a one-off event, please tell us the date of the event.

If you're not sure when your project will start, please provide an estimate.

9. Where will your project take place?

Please provide the full postcode of where your project will take place, especially if this is different to the address of your organisation.

10. If your beneficiaries are living in a specific area of your local authority please tell us below. You can write more than one area:

11. When are you planning to start your project?

Your start date must be at least 12 weeks after you send us your application to give us time to process it.

(Please use the format dd/mm/yyyy)

Important information

Question 12

The 'What can you spend the money on?' section on page 6 of our Guidance should help you with this question.

You should use budget headings, rather than a detailed list of items. For example, if you're applying for pens, pencils, paper and envelopes, using 'office supplies' is fine.

Some organisations may be registered with HM Revenue and Customs to recover VAT. If you are registered, then we cannot fund any VAT for your project.

If you are not registered, you can include VAT within your costs.

This is the cost of everything related to your project, even the items or activities you aren't asking us to fund.

12. Please tell us the costs you would like us to fund:

Only include VAT if you can't recover it from HM Revenue and Customs.

| Costs | Amount from us (£) |
|--------------------------|--------------------|
| Example: Office supplies | £450 |
| | |
| | |
| | |
| | |
| | |
| | |
| | |
| | |
| | |
| | |
| | |
| | |
| | |
| Total | |

If your project costs more than the amount you are applying for, please tell us the total project cost.

| Total project cost | |

Please remember that these people must be unconnected. By 'unconnected' we mean not related by blood, marriage, in a long-term relationship, or people living at the same address.

We use this to carry out some basic identity checks as part of our standard fraud prevention process, so please check that the information provided is correct. All organisations, including schools and statutory organisations, need to provide this.

Our identity check may appear on a credit report, but it's not a credit check and can only be seen by the person we're checking, so their credit rating won't be affected. Your declaration

Please read this section carefully and make sure you understand it all, especially our terms and conditions.

Data protection

The Big Lottery Fund is a public body with a duty to distribute National Lottery and other money in grants for good causes. We use the personal data you provide, such as contact details for individuals at your organisation, to help you apply for a grant and to assess your application. We may also carry out checks on the individuals as described below. If a grant is awarded, we will use the personal data to manage and monitor the grant, carry out evaluations and research, and to check the money is being used appropriately.

We may share your personal data with organisations which help us with our grant making activities or others which have a legitimate interest in our work or have funded your grant. We will only share personal data which they need to carry out their work and subject to appropriate safety measures.

We may keep in contact with you throughout the life of your grant and send you advice about your grant by email. This will contain useful information on a range of things including how to publicise your grant, information on other funding available and project ideas and tips from other grant holders.

Our data protection and privacy notice gives more information about how we store and use personal data and the lawful basis for this. Please read the full notice which is published on our website at biglotteryfund.org.uk/data-protection or contact us to request a hard copy. The notice may be updated from time to time.

Freedom of information

The Freedom of Information Act 2000 gives members of the public the right to request any information that we hold. This includes information received from third parties, such as, although not limited to grant applicants, grant holders and contractors. Please read our full policy published on our website biglotteryfund.org.uk/freedom-of-information. This policy may be updated from time to time.

If you think that there is information in your application that may be exempt from release if requested, then you should let us know when you apply. We will not usually release information about your project whilst it is being assessed. Otherwise we will use our judgement as to whether any exemptions may apply, which we may seek your opinion on. Personal information would be withheld subject to the requirements of data protection laws.

Our approach to fraud

We know the vast majority of the many thousands who seek and use our funding are genuine. However, we sometimes receive fraudulent applications and so we have a duty to carry out checks on individuals at organisations which apply for grants.

The personal information we have collected from you will therefore be shared with fraud prevention agencies who will use it to prevent fraud and money-laundering and to verify your identity. If fraud is detected, you could be refused certain services, finance or employment.

Further details of how your information will be used by us and these fraud prevention agencies, your data protection rights and how to contact us, can be found in our full data protection and privacy notice which is published on our website biglotteryfund.org.uk/data-protection. Welsh Language Measure

Under the Welsh Language Measure 2011, all public bodies in Wales and organisations that receive funding from public bodies in Wales, including funding from the Big Lottery Fund, must meet the requirements of the Measure in providing a bilingual service to the public in Wales. Further information about our Welsh Language Standards and how to comply with our Welsh language requirements can be seen here biglotteryfund.org.uk/welshlanguage.
