Childcare Programmes

In 1999, £220 million was made available to create new and sustainable out of school hours childcare places for 865,000 children UK wide by 2003. In 2002, a further £198.5 million was made available to extend the earlier programme and to also fund capital build projects. Programmes under these initiatives include.

- Out Of School Hours Childcare, UK – £285 million
- Building Neighbourhood Nurseries, England – £100 million
- New Opportunities For Quality Childcare, Scotland – £14.5 million
- Integrated Children's Centres, Wales – £11 million
- Building Quality Childcare, Northern Ireland – £6 million
- Funding Facilitators, Wales and Scotland – £2 million

Over the lifetime of these programmes, the Fund has offered grants totalling £390.6 million representing 98 per cent of the amount available. Between 1 April 2004 and 31 March 2005, 267 grants totalling £21.8 million were offered under the childcare programmes.

Out Of School Hours – Learning

£205 million, including £25 million for summer schools, was made available to provide out of school hours learning activities in half of all secondary schools and special schools and a quarter of all primary schools. The Initiative was later expanded with £25.5 million made available to fund school sports co-ordinators. During 2004/05, a further £28.4 million has been allocated within England to expand funding of school sports co-ordinators as part of the Young People's Fund.

Over the lifetime of the initiative, the Fund has offered grants valuing £215.3 million representing 89 per cent of the amount available under this initiative.

Between 1 April 2004 and 31 March 2005, 13 grants totalling £0.2 million were offered under the out of school hours – learning initiative, and 103 grants totalling £8.6 million were offered under the school sports co-ordinators programme.

Details of grant offers over £100,000 made under the school sports co-ordinators programme between 1 April 2003 and 31 March 2004 are listed below in table 3. No awards greater than £100,000 were made on the out of school hours – learning initiative.

| Organisation: | Birmingham LEA |
| Grant scheme: | Birmingham LEA |
| Grant Awarded: | £5,245,360 |
| Paid to date (31/3/05) | £4,637,663 |
| Completion date | 31 December 2005 |

Birmingham City Council was awarded £5,245,360 in April 2000 to provide a range of out of school hours learning activities for targeted children and young people. The project provides two programmes of activities – individual school or cluster-based provision and citywide activities delivered by partnership organisations University of the First Age, Children’s University and Leisure Services. Schools benefit from nine terms (three years) of funding over the City Council’s 5-year funding period.

New Opportunities for PE and Sport

The New Opportunities for PE and Sport programme is making £750.75 million less administration costs available across the UK for building and modernising PE and sports facilities, primarily in schools, and for activities that promote community use of these facilities. In 2003, an additional £100 million was made available for the community sport investment programme.

This initiative includes the following grant programmes:

- New Opportunities For PE and Sport, England – £524.3 million
- Active Places, England – £2 million
- New Opportunities For PE and Sport, Scotland – £52 million
- New Opportunities For PE and Sport Activities, Scotland – £36.3 million
- New Opportunities For PE and Sport, Wales – £48.7 million
- New Opportunities For PE and Sport, Northern Ireland – £33.7 million
- Football Foundation – grass roots development for schools – £30 million
- Spaces For Sports and Arts – £25 million
- Active England – £77.5 million
- Active Futures, Scotland – £5.5 million
- Mentro Allan, Wales – £6.5 million
- Active Lifestyles, Northern Ireland – £2.1 million
- Community Sport (Sports Council NI) – £2.4 million

The Spaces For Sport and Arts programme is a joint scheme funded by DCMS, Sport England and Arts Council for England as well as the Fund. The scheme is administered by Sport England and details of grants over £100,000 are disclosed in Sport England's annual report.

The Active England programme is a joint scheme funded by Sport England and the New Opportunities Fund. The scheme is administered by Sport England and details of grants over £100,000 are disclosed in Sport England's annual report.

By 31 March 2005, £715.4 million, 88 per cent of the available funds, had been committed.

Details of grant offers over £100,000 made under the New Opportunities For PE and Sport programmes between 1 April 2004 and 31 March 2005 are listed below in table 4.

| Grant Awarded: | £11,500,000 |
| Grant Paid to 31 March 2005: | £nil |
| Completion Date: | March 2007 |

The YHA, our lead delivery agent, have done an excellent job in setting up and rolling out the summer residential activities which form the bed rock of this programme. This year, 9,500 children aged between 11 and 17 will attend the one week Do it 4 Real camps, engaging in activities including sports, drama, dance and conservation. 11,500 places are planned for next year. The scheme is being run across 22 locations located in England and Wales and children access these through a transport system which allows pick up and drop off at a number of regional points. At the camps the children are looked after by qualified camp counsellors and the scheme aims to attract at least 40 per cent of attendees from disadvantaged backgrounds.
